Fiat 500 Double DIN Fascia Kit
for 2007 - 2015 Fiat 500

Introducing the new Fiat 500 double DIN fascia kit from Autoleads. The OE matching fascia kit is compatible with 2007 - 2015 Fiat 500 vehicles and available in three dash matching colours: matt black, piano black, and pearl grey.

The Fiat 500 dash kit allows you to add a double DIN radio into your vehicle by relocating the heater vents with the ventilation extension kit provided. The radio cage is also included with the fascia kit.

If you are looking for a complete fitting solution, the Fiat 500 double DIN dash kit is also available with an antenna adaptor and steering wheel control module to provide everything you need to add an aftermarket radio. Also available in single DIN.
